From H. H. O'Connell Esquire, Executive
Engineer, Nelson Division, to the Superintend-
ing Engineer, II Circle, dated 20th February
1893, No. 3805. ^{2/}609

I have the honor to forward
herewith, an estimate for 6 cwt. of zinc
white powder (European Manufactured
article) requisite for cutcherries at
Gudur and Atmakur, and request
you will be so good as to obtain the
necessary sanction of Government for
the purchase of the same locally under
code para 3, Appendix O. Vol. I, as it
is considered more economical to pur-
chase locally.

2. As the above article is urgently
required I have applied to Messrs.
Richardson and Buddas for making
an early supply, in anticipation of
sanction of the estimate.

3. This article is not to be found in
the Rate lists for Class. G. State Railway
Stones, and the columns under the heading
"estimated cost if obtained through
"India office" are, therefore, left blank.

4. The General Superintendent, P. W.
Stones

ones, Madras informed in his No.
285 dated 25th January 1893, that the
above article was not available in
his stores.
