Office of the Consulting Architect to Govt.,
Chepauk, Madras,
28th January 1893.

No. 3211

From

Henry Swin, Esq., C.S.E.,

Consulting Architect

to the Government of Madras,

To

The Chief Engineer

P. W. Dept.

Madras.

Sir,

Enclosures.

I have the honor to report that the present
establishment of clerks in this Office is as follows:

1 Clerk 1st class 1st Grade Rs 40 to 50
1 do 2nd Grade Rs 30 to 40.
2 Clerks do 3rd Grade Rs 20 to 30
1 Clerk & class 1st Grade Rs 15 to 20
1 Temporary Clerk do Rs 35.

On the transfer of the civil works
of the Late Presidency Dn, to this Dn, only one
Clerk on Rs 30 to 40 was sanctioned. It has been
found necessary to obtain the sanction of
Govt to the establishment of a temporary
Clerk on Rs 35 for the efficient discharge of
the works in the Office. It will be seen from
the figures noted in the margin that the work

Outlay for
civil works
to the amount
of Rs 1,50,000
to the amount
of Rs 1,50,000

731,500 - 22,51,497.

Note. The outlay has
more than 2 times the
outlay before the amalga-
mation. The transfer of
civil works has also
added to the work of
the Office.

in the D^r has considerably increased. I beg to propose therefore that sanction may be accorded to a permanent clerk on \$500.00, in lieu of the temporary clerk now existing. All the clerks have been drawing the maximum pay of their respective grades from 2 to 8 years, and they have been doing additional work consequent on the transfer of civil works without any additional remuneration.

I therefore request that you will be good enough to obtain the sanction of Govt by proposal which will not only admit of promotion to deserving clerks already in office, but would also result in the immediate saving of \$15 per. month in the prospective increase of \$22½ per. month. The temporary clerk now employed will be provided for in the permanent establishment to which also, sanction of Govt. is necessary. He has been exempted from the Examination rules for the pay of \$30, on the temporary establishment. But I would solicit permission to be allowed to draw up a maximum of \$30 in the permanent establishment.

It is proposed to promote in office and so all clerks in receipt of the maximum pay of the grades, but provided that you are not in receipt of pay in the grades. The temporary clerk in his office is provided with a clerk in his office, which would give a saving of \$15. The financial statement of clerk on \$500.00 is \$500.00. Deduct the pay of the temporary clerk 30.00. Net amount 470.00.

If Govt. approves of the above, the usual proposition statement will be submitted.

Yours truly,
Res.
Henry Irvine
Clerk to Govt.
