Letter No. 511 B. dated Calcutta, the
23rd December 1892. from the Secretary
to the Government of India. J. W. D.
to the Chief Commissioner of Burma.

In continuation of J. W. D.
Department Telegram No. 499 B. dated the
16th December 1892, I am directed to
communicate the orders of the Govern-
ment of India on the estimate re-
ceived with your J. W. D. Secretary's letter
No. 13711-21 C.B. dated the 7th October 1892
amounting to Rs. 5,85,821 of the cost
of constructing a new house at
Rangoon as a residence for the Chief
Commissioner of Burma.

2. Furniture - For this item Rs. 20,000
have been provided in the estimate, but
before sanction is accorded to this ex-
penditure the Government of India
desires to be furnished with a de-
tailed estimate of the furniture in
which it is proposed to purchase, and

to be informed as to what is intended to be done with the furniture in the present Government House.

Terra-cotta Work - The estimated bill on this item amounts to a large sum Rs 1,12,762, and it is proposed to obtain the whole of the terra-cotta from England. Before giving any order to this effect the Government of India is of opinion that enquiries on the subject should be made of the Government of Madras, the Government of India having reason to believe that the consulting architect to the Madras Government has recently brought the local manufacture of terra-cotta to a successful issue. If necessary an engineer officer might be deputed from Burma to Madras to acquaint himself with what is being done there in this respect, so that if possible some ^{saving} saving in cost under this head may be effected.

Grand Staircase - The grand staircase of carved

2/621-22

carved teak estimated to cost Rs 7,738 in the place of the marble staircase for which a lump sum provision of Rs 10,000/- was entered in the previous estimate is approved.

3. I am further to say that the Government of India cannot but regard as unsatisfactory the fact that the estimate submitted with spec. of W.A. Secretary's letter No. 386/125 C.B. dated the 11th January 1892 contained clerical errors which make a difference of no less than Rs 4176 between that and the revised estimate, and that the rates for terra-cotta, brick work and electric lighting were previously so much underestimated. The action of the Superintending Engineer in having put in the foundations of the building so that the footings were exposed, thereby necessitating additional expenditure, is also regarded by Government as unsatisfactory.

4 - With these remarks, I am to
communicate the provisional sanc-
tion of the Government of India
to the revised estimate submitted
with your Secretary's letter quoted
in paragraph 1 above.

5 The estimate and plans
received with your Secretary's
letter referred to are herewith
returned.

PUBLIC WORKS DEPARTMENT.

No. 2737-21-68

To
The Secretary to the
Government of Madras,
P. W. Department,
Dated Rangoon, the 22nd February 1953

Sir,

With reference to para 2 of
Government of India Public Works
Department letter No. 2737 dated 15th
December 1952, a copy of which is
attached for information on the
subject of extra extra work required
for the new Government house at
Rangoon, I am directed to inform
that the Chief Commissioner has
decided to depute Mr. K. J. D. D.,
Executive Engineer, to visit Madras
to make himself acquainted with
what is being done there in respect
to work of the kind and to take

that Mr. Hoyle may be given every facility by the Government of Madras for examining the ^{that} ~~Derra~~ ^{Madras} ~~Cotta~~ works in ^{Madras} Presidency and for collecting information regarding it.

I have the honor to be,

Sir,

your most obedt. Servt.,

Wm. J. Manning Col. R. E.
