READ—the following paper:—

From Brigadier-General E. H. EYRE, Quartermaster-General, Madras Army, to the Secretary to Government, Military Department, dated Ootacamund, 1st November 1892, No. 2343 M.W.

With reference to Proceedings of the Madras Government No. 6777, dated 26th October 1892, I am desired to forward, for sanction and transfer to the Public Works Department, the accompanying plans and estimates, the latter amounting to Rs. 8,460, for constructing an armoury, magazine, &c., and quarters for the Sergeant-Instructor of the South Indian Railway Volunteers at Nellore. Accommodation for these purposes is very urgently required, and, from the report accompanying the estimates, it will be seen that there are no public or private buildings at Nellore which can be utilized as such.

2. Under regulations the corps is required to make its own arrangements for providing itself with an armoury, magazine and office room; the approximate cost of the building to be set apart for these purposes is estimated at Rs. 3,750, but, as this is considered to be too large a sum for the corps to provide from any one year's capitation grant, the Commander-in-Chief recommends that Government may be pleased to treat the above sum as an advance to the corps, the same to be repaid by annual instalments of Rs. 500, should the Government of India decide that the entire cost of the building is not to be met from State funds.

3. I am desired to add that the requirement in question was not brought forward in sufficient time to be included amongst those entered in appendix to G.O., No. 2642 W.,* dated 23rd September 1892, but, as the early provision of the accommodation in question is very essential, I am to solicit that the Government of India may be addressed in view to funds being provided for the carrying out of the work during 1893-94.

* M.D. No. 6314 of 6th October 1892.

No. 7257, Military.

Approved and transferred to the Public Works Department with reference to P.G. No. 2806 W., dated 7th October 1892, for further necessary action.

(By Order.)

Secretary to Government.

ORDER—dated 20th December 1892, No. 3475 W., Public Works.

The estimate, amounting to Rs. 8,460, for constructing an armoury, a magazine and an office room, and quarters for the Sergeant-Instructor of the South Indian Railway Volunteers at Nellore is sanctioned.

2. The proposals made in paras. 2 and 3 of the Quartermaster-General's letter will be laid before the Government of India.

3. This sanction has been registered as Imperial No. 2 W. of 1892–93 and classified as Military Original Works.

ORDER—dated 11th April 1893, No. 940 W., Public Works.

The revised and budget estimates of revenue and expenditure under Imperial Military Works for 1892–93 and 1893–94, respectively, accepted by the Government of India in the resolution recorded above, have been adopted in the final issue of the budget.

2. The revised estimate of expenditure for 1892–93, as shown in the preliminary budget, amounted to Rs. 97,956, but the modifications of grants subsequently sanctioned increased the estimate to Rs. 1,01,811. The Government of India has not apparently taken into account the surrender of Rs. 6,479 from the grant for the Medical officer's quarters at Calicut referred to in G.O., No. 676 W., dated 11th March 1893, and has fixed the estimate at Rs. 1,08,290 or Rs. 1,08,300 in round figures.

3. The budget estimate of charges for 1893–94, as shown in the preliminary budget, amounted to Rs. 90,000, but the Government of India has raised the estimate to Rs. 1,17,500 by providing Rs. 7,500 for minor works and Rs. 20,000 on account of the Government contribution towards the cost of the Trichinopoly water works.

4. Funds having been provided in 1892–93 for the completion of the barracks at Calicut, the allotment of Rs. 9,997 provided for the work in the preliminary budget for 1893–94 has been withdrawn in the final issue and the amount distributed to the works specified in para. 2 of G.O., dated 27th February 1893, No. 498 W., the allotments for which were previously reduced to provide for the barracks.

G.O., No. 415 W., dated 17th Feb. 1893.
" 451 " " 20th " "
" 630 " " 8th Mar. "

5. The modifications required to be made in accordance with the orders quoted in the margin have been carried out in the final issue of the budget.

6. The grant of Rs. 6,000 provided for minor works will be placed by the Military Department at the disposal * of the Officers Commanding Divisions and Districts, the Commissary-General and the Inspector-General of Ordnance, to whom Superintending Engineers will apply for allotments required for incomplete and new works under that head.

* G.O., No. 3516 W., dated 23rd Dec. 1892.

7. The distribution of the grant for repairs by divisions is shown in part II of the budget.

8. No expenditure should be incurred on unsanctioned works for which funds have been provided in the budget until estimates have been sanctioned by Government.

9. With these remarks, the final issue of the Military Works budget estimate for 1893–94 will be printed and circulated for the information and guidance of the officers concerned and sixty copies will be forwarded to the Government of India, Military Department.
