14TH MARCH 1893, No. 702 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following papers:—

From G. D. WYBROW, Esq., Superintending Engineer, I Circle, to the Chief Engineer, Public Works Department, dated Dowlaishweram, 13th January 1893, No. 2133 G.D.

I have the honour to bring to your notice that the Superintendent of Police, Godavari district, wrote to me in April 1889 that the old Salt Daruga's cutcherry building used as Police station at Mogaltur in the Narsapur taluk would not be required by the Police Department consequent on the abolition of the station there.

2. The heads of other departments were requested to state whether the building would be required for use in their departments and they replied that it would not be required.

3. Then the Superintendent of Police was informed that sanction of Government (*vide* para. 980 of the Madras Public Works Code) would be obtained for the sale of the building in question if it is not required by his department.

4. The Superintendent in his letter No. 1267, dated the 9th October 1890, stated that the re-establishment of a station at Mogaltur had been recommended and that the building referred to would be required again in the event of the recommendation being sanctioned by Government.

5. The building has therefore been kept in charge of this department till now, as no final reply has been sent by the Superintendent to the references made to him on the subject subsequent to his letter referred to above.

6. He now writes to say that Mogaltur is not included in the list of stations proposed to be re-established.

7. I therefore request that you will be so good as to obtain the sanction of Government for the sale of the building together with the site. I know of no use which it can be put to in this department. It is in very bad repair and would cost a large amount to put it into repair if required for any purpose.

8. It stands in the books at a value of Rs. 800 under Provincial Civil Buildings.

No. 324 C.

Referred to the Judicial Department for information whether there is any objection to the sale of the building.

24th January 1893.

Under-Secy. to Govt., P.W.D.

From Colonel C. A. PORTEOUS, Inspector-General of Police, to the Chief Secretary to Government, dated Cuddalore, 28th February 1893, No. 1068.

As Mogaltur is not one of the places at which (in my scheme for a general increase to the Police force of the Presidency) it is proposed to re-establish a Police station, I have the honour to state that the old Police station-house there will not be required again by this department and if Government deems fit may be sold.
