To

The Secretary to the Government of Madras,
Public Works Department.

Calcutta, the 12th December 1892.

Sir,

With reference to your No. 3156 W. dated the 17th November 1892, forwarding for information copy of the orders of the Madras Government in connection with the Establishment of a Provincial Service recruited in India for the Engineer Establishment, I am directed to point out that the orders, as laid down in para. 2 of Public Works Department Resolution, No. 2112 G. of 19th July 1892, stating that men appointed more than three years from the date of the issue of the resolution, even though they entered the College before its issue, can not be appointed under the present rules, but must enter under the new rules as in the resolution, are final, and can not be reconsidered, and that they have been accepted by the Secretary of State.

I have the honour to be,

Sir,

Your most obedient servant,

note 4/10

For order whether the decision of the G. P. D. in this letter is to be accepted without further question.

The letter was written before receipt of this office No 3294 W of 2.12.92, the latter having been despatched from here only on 16.12.92, but the terms of the G. P. D. letter are very decisive, & it seems unlikely that any reconsideration will be given to the matter.

It may be remarked however that the students who entered the College in the years 1891 and 1892, did so under the present College prospectus, which distinctly guarantees the successful candidate an appointment as Asst. Surg. 3rd Grade, at the end of his five year course. The present decision of the G. P. D., which,

materially alters the
prospects of these men
will be regarded as a
breach of faith, & will
doubtless draw forth
protests & memorials.

If the S. & D. decision
be accepted at once,
it will apparently be
necessary to modify
the terms of S.D. no.

3155W of 17.11.92. The
first appointment of
a College student under
the new Provincial Service
scheme will be made
on 1st January 1896, & an
upper subordinate can
be appointed to the
Division established on
1st January 1897. - not
1899 as stated in the
S.D.

To the Secretary S. & D. Board

Sir,

3/10

I am directed to
request the favour of
an early reply to
para 3 of my letter
No 3294W of 2nd Dec
1892, bringing to
notice that as the
Course of theoretical
instruction & practical
training in the modern
College of Engineering
extends over a period
of five years, the
Students who entered
the College in the
Years 1891 & 1892
will not obtain appoi-
ntment as Engineers until
1st January 1896 &

1st January 1897 respecting
which then go beyond
the three years limit
prescribed in G. O.
Resolution No. 2112 of
19th July 1892, &
recommending that
the limit of time fixed
in this case be
extended to five
years.
