The site plans and estimate for constructing a first-class taluk cutcherry at

No. 705, Revenue.

Transferred to the Public Works Department with the remark that the out-
houses should be built in accordance with the type design circulated with G.O., dated

FORT ST. GEORGE,
17th February 1893.

(Signed) E. GIBSON,
Ag. Secretary to Government.

ORDER - dated 17th March 1893, No. 739 W., Public Works.

The estimate of Rs. 34,710 for constructing a first-class taluk office with out-
houses at Ráyachóti in the Cuddapah district contains provision for an aloe hedge
round the compound. Fences of this kind have been disapproved. The provision
will accordingly be omitted. The estimate as thus reduced, amounting to Rs. 34,560,
is sanctioned for execution when funds are available.

2. A supplemental estimate for a wire fence should be submitted.

3. With reference to the remark in the Revenue Department, it is observed that the estimate actually provides for building the out-houses on the design circulated with G.O., No. 1469 W., dated 28th May 1889, and that the reference by the Executive Engineer to the earlier order in the abstract estimate is incorrect.

4. This sanction has been registered as Provincial No. 124 W. of 1892-93 and classified as Civil Buildings, Original Works.
