Sir

With reference to G.O. 70 2845 W d/13th October 1892 communicates with your endorsement 70 420 P.W. d/15th October 1892, I have the honor to report that the incidental charges have been shown separately wherever it was possible to ascertain the same, but where it was not possible, the ruling in para 25 of appendix O was through an oversight not observed.

2. As regards para 4 of G.O. under reference, I have to state that the Local purchase of English Stores was made to meet the urgent demands of the Presidency and Dowlaishwarum Workshops.

3. The delay in submitting the statement in time was due to difficulty in obtaining correct English rates for stores purchased in this country, care will however be taken to avoid delay in future.

4. Instructions in para 5 of G.O. have been noted for guidance in preparing future similar statement.

I have &c
