GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads,
Civil Works.

READ—the following paper :—

From G. D. WYBROW, Esq., Superintending Engineer, I Circle, to the Chief Engineer, Public Works Department, dated Chicacole, 3rd March 1893, No. 2404 G.D.

I have the honour to bring to your notice that the six rooms contained in the east wing of block No. 3 in the old District Jail at Rajahmundry have lately been vacated by the removal of Sub-Collector's office and records to No. 4 block under the occupation of Sub-Collector as per G.O., No. 1097 W., dated 12th April 1888.

2. The Assistant Commissioner of Salt and Abkari Department, Cocanada sub-division, informs the Executive Engineer that the accommodation afforded by the two rooms of block No. 1, the transfer of which to the Salt Department was sanctioned in G.O., No. 660 W., dated 7th March 1891, is not only inconvenient but insufficient and has asked to arrange in lieu for the location of the Salt and Abkari Inspector's office in the six rooms of block No. 3 alluded to in the preceding paragraph and vacated by the Sub-Collector's office.

3. The Sub-Collector, who has been communicated with on the subject, is willing to give up the portion of block No. 3 for the purpose intended, provided that the two rooms of block No. 1 in the occupation of the Salt Department under G.O., No. 660 W., dated 7th March 1891, be handed over to him in its stead.

4. I see no objection to the exchange of buildings proposed, and I have therefore the honour to request that you will be so good as to obtain sanction of Government for the proposed transfer.

5. I submit herewith for your perusal and return letters, &c., noted in the margin *ancnt* the subject.

ORDER—dated 21st March 1893, No. 780 W., Public Works.

The proposed exchange of buildings is sanctioned.

The exchange of blocks Nos. 1 and 3 in
the — between the Sub-Collector and the
Salt Department for the location of their
offices, sanctioned.

No. 2404, C.D.

As far as I can
see the Sub-Collector
has no claim
on block No. 3 —
Block No. 4 was
taken by him (I think)
I cannot find
how he came to
occupy No. 3 block
— but probably
while No. 4 was
being prepared.

Sir

The papers do not
show how the Sub-Collector
came to occupy No. 3
Block. But probably
it was a temporary
arrangement until
Block No. 4 was ready.

For him.

As the two rooms
of Block No. 3, to be
vacated by the Salt
Dept. will stand empty
is not given to the
Sub Collector. There
appears to be no objection
to the arrangement.
