reference to W's note.

With regard to the
junior division, only
recently a reference was
made to the S.S.I. circle
as to the temporary
upper subordinate status
required with reference
to the status work, and
a civil agency work
now in progress. In
reply the S.S. asked
for 6 temporary men in
addition to the former
strength of 5.

This status was approved
in memo. 1044C of

6.3.93 (put up) -

No reference to S.S.I.
was made to enable
this office to settle the
second temporary scale

for 1873-74.

With respect to
the II Perigo, the same
titled strength of the
division is now 8 upper
subordinate, but the
present draft order
makes provision for
only 7 men. This has
been done to provide
for the continuance of
Sub Comd Fryer's service.
It may be pointed out
there are now
actually 9 upper subor-
dinate in the divⁿ,
& that though 3 det.
squad are allotted to
it, not one is now
in it.

With regard to
the "reserve", the men
were originally sanctioned
in 1871, & 10 is the
sanctioned number
for the current office
year. In the present
draft order the number
has been reduced
to 8, to admit of
the extra app^t on

6-28
being
Rs 80 ~~to be~~ brought
in, ^{to} provide for the ~~trans-
fer~~
transfer to the temporary
list of the sub pro^{te}
men now drawing Rs 50
on the permanent list.
These "reserve" men
go to fill the gaps
in the permanent list
due to ^{vacancies} ~~discharges~~. being
kept open for college
students.

If the scale for
1873-74 be reduced to
less than that in pro-
posed in the draft
order, it will either
be impracticable to
transfer the sub pro^{te}
men on Rs 80 to the
temporary list, or
it will be necessary
to discharge some of
the temporary men
now employed.

same of the temporary

and I don't think
that any of them
can be spared.

Cond. Foyer, under

The existing standard
for Ampy. extn. is as
follows -

Excluding the
states. Mainly sanctioned
for famine relief works,
the scale for 1893-94
will probably be as
follows:—

Apper on Rs. 250 - 2
 " " 100 - 1
 " " 150 - 5
 " " 100 - 11
 " " 80 - 21
 " " 60 - 32
 Total 72

The number actually
 on list are are -

Rs. 250 - 2
 " 100 - 1
 " 150 - 6
 " 100 - 11
 " 80 - 21
 " 60 - 25
 Total 66

There will be no
 room for such consideration
 Fryer's situation in the
 Rs. 150 grade, under the
 number in that grade
 he increased to 6.
 This might be done by
 reducing the number of
 men in Rs. 60 by
 3. If by Fryer's
 services he is placed
 with, somebody else
 must be found to

supply his place in the
 Perryon

There is another point
 which requires orders
 before the temporary scale
 for 1893-94 can be
 drawn up.

There are now at
 the top of the list of
 overmen 3 grade per-
 manent. There were also
 real position in that
 of ~~overmen~~ temporary
 upper subalterns -
 They are S. V. Ramaswami
 Aiyangar, C. R. Narayanan
 Subbar and A. Narayan
 Iyer. May be. The
 two first are drawing
 Rs. 80 as overmen 2nd
 grade but ~~prohibit~~ of
 the third are drawing
 the same pay until
 recently when he was
 promoted to 3rd grade
 with ~~prohibit~~ on the
 return of a man from
 below.

Your orders were
 not drawn up till
 temporary scale for
 1893-94. There were

Should be transferred
to the temporary list on
Rs 80, so that they shall
not block the promotion
of 3 grade men on the
permanent list.

S. V. Ramesh
Aiyangar was recently
badly reported on.
You ordered that he
should be promoted to
the Rs 60 grade.

If room is not
found for Harihar
Subbiah & A. K. Narayana
Nayudu in the 80 grade
on the temporary list,
it will be necessary
to increase the number
of that grade by 2,
& this can be effected
by making a further
reduction of 3 in the
60 grade.

The scale of temporary
establishment for 93-94 will
then stand as follows -

Rs 250	-	2
200	-	1
150	-	6
100	-	11
80	-	23
60	-	26
		<hr/>
		102 69

Some of the men
now on the temporary list
drawing Rs 60 can be
transferred to or under
3 grade for extra pay too,
so as to obviate the
necessity of discharging
any of the present in-
cumbents.

On these points
being settled, the de-
tailed temporary list
by divisions, will be
submitted for considera-
tion.

For orders.

under these
circumstances
certainly think that
if Underhill's
should be returned
for another year.
As Col. Hunt stated
that he was
ready to continue
when he resumed
the services of Frye
being dispensed
with.

I certainly think
that it is altogether
wrong in principle
to appoint temporary
other individuals
of the same grade
than Capt. Salt-
P. P. T. -

Since the higher
 pay is given
 there has been promotion
 in the permanent
 list - and
 S. V. Ramaswami
 Aiyangar should
 therefore go back
 to 3rd grade
 temporary and
 provision should
 be made for
 including Mr.
 Narayana Subbiah
 & A. Ramaswami
 Aiyangar who are
 in temporary list
 for next year
 in 3rd grade

 same from 1st

Note for the Hon'ble Member.

The accompanying draft order, sanctioning a scale of Temporary upper subordinate establishment for the ensuing official year, 1893-94, is submitted for approval.

2. The existing sanction for the current official year is as follows:-

		Rs
2 App'ts.	Rs 250	500.
1 App't.	200	200.
7 App'ts.	150	1050
13 "	100	1300
30 "	80	2400
35 "	60	2100
88.		Rs 7550

The above includes the extra men sanctioned for famine relief operations in 1892. The establishment was reduced after the close of relief works and the actual number of men now on the temporary list is 66.

The sanction for 1891-92, excluding extra men sanctioned for limited periods for relief operations in the Kalkhasti Zemindari and adjoining

districts was as follows:—

		R
1. Appointment on Rs 250 —	250	
2. Appointment — 200	400	
3. — — — 150	1050	
4. — — — 100	1000	
5. — — — 80	1520	
6. — — — 60	1860	
	<u>R 6080</u>	

The scale now proposed is as follows:—

		R
2. Appointment on Rs 250 —	500	
1. Appointment — 200 —	200	
6. Appointment — 150 —	900	
11. — — — 100 —	1100	
3. — — — 80	1840	
6. — — — 60	1560	
	<u>R 6100</u>	

The proposed establishment is much the same as that sanctioned for 1891-92.

Two appointments on Rs 250 are included to provide for the increase of pay recently granted to Mr E. R. Logan for the Panga Project works.

With regard to the temporary men put down for the Bellary, Kurnool and Adipah divisions, it is aimed that on the closure of the works and the reduction of the Special Famine establishments, the Superintending Engineer requested permission to retain some of the temporary

12/11/93

temporary hands to enable him to push on with ordinary works which has got into a backward state owing to the relief operations, and also to estimate for famine works which may be required in the future. These extra men will be gradually reduced as the necessity for their services ceases.
