**Account.**

Read—the following paper:—

From H. IRWIN, Esq., C.I.E., Consulting Architect to Government, to the Chief Engineer, Public Works Department, dated Chepák, 23rd March 1893, No. 3689.

I have the honour to request that you will be good enough to obtain the sanction of Government for the transfer of grants in the Consulting Architect's division asked for in the accompanying statement.

2. The surrenders are chiefly due to the allotments for the Lunatic Asylum and other works having been given so late as February 1893 and necessary arrangements for their being utilized on Technical Institute have already been made, so that there may be no surrenders from the grants of the division.

3. I may add that it is quite possible to spend an additional allotment of Rs. 4,000 on the New High Court works if that amount can conveniently be granted to me by Government.
