From the Superintending Engineer, II Circle, dated 28th December 1892.

Order—dated 16th January 1893, No. 82 W., Public Works.

A sum of Rs. 60, being the amount available with the Government under Imperial Military Repairs, is allotted to the Kistna Eastern division. The balance of the demand, viz., Rs. 220, will be provided later if possible.

2. The following allotments are made by transfer from the reserve under Telegraph Repairs :—

Post office at Kávali, Nellore division	5
Lump sum grant, Kistna Western division	50
Total ...	55

3. The sum of Rs. 50 surrendered from the grant to the Kistna Western division under Telegraph Repairs is resumed and credited to the reserve under that head.

4. The following sums are withdrawn and added to the Provincial reserve :—

Provincial.

	RS.
1. Constructing a record room in the compound of the Collector's office at Masulipatam	1,000
2. Constructing a Taluk office at Nandigáma	1,000
Total ...	2,000

5. The saving of Rs. 21 in the allotment for repairing the Seven Pagodas at Mahabalipuram is added to the reserve with the Government for the conservation of archæological works.

6. The revised estimate for the Head Assistant Collector's office at Gúdúr having been sanctioned in G.O., No. 3449 W., dated 17th December 1892, there will perhaps be no difficulty in utilising the sum of Rs. 1,000 proposed to be surrendered from the existing allotment for the work. The surrender has not therefore been accepted.

7. The additional allotment of Rs. 1,000 required for the Deputy Collector's office at Atmakúr is made from the Provincial reserve.

8. The demand of Rs. 2,000 for the Head Assistant Collector's residence at Bezváda will stand over pending receipt of the estimate promised.

9. The allotment of Rs. 1,000 required for improvements to the District Munsif's Court at Bápatla has been separately provided.

10. The Superintending Engineer applies for an additional allotment of Rs. 218 for reconstructing the road over the Kistna anicut at Bezváda and explains that "rough stone packing" for which no provision was made in the estimate has been carried out. The Local and Municipal Department will be requested to place that amount at the disposal of the Public Works Department.
