READ—the following paper :—

From W. HUGHES, Esq., Superintending Engineer, VI Circle, to the Chief Engineer, Public Works Department, dated Trichinopoly, 14th March 1893, No. 610 P.R.

In para. 4, chapter XI, of the code it is laid down that furniture required for circuit houses and Public Works inspection bungalows should be supplied at the cost of the department concerned. I have the honour to request that you will be good enough to let me know whether estimates in the cases of furniture for rest-houses in charge of the Public Works Department should be submitted to you for sanction or whether they can be sanctioned by me, and in the latter case up to what limit.

2. Under para. 14, chapter VI, of the code a Superintending Engineer can sanction only up to Rs. 50 for each set of purchases of office furniture.

3. I make this reference before disposing of two estimates, each amounting to Rs. 100, submitted by the Executive Engineer, No. II Periyár division, for providing furniture for the rest-houses at Andipatty and Peranai and for my future guidance.

ORDER—dated 27th March 1893, No. 833 W., Public Works.

His Excellency the Governor in Council is of opinion that the furnishing of Public Works Department "rest-houses," which do not come into the category of inspection bungalows, should not be allowed save in very exceptional circumstances and under the special sanction of Government in each case.

Furniture for Rest Houses

Requests to inform whether estimates for providing — should be submitted for the sanction of the Chief Engr or whether they can be sanctioned by the Supt Engr & in the latter case up to what limit —

No. 7310 of 11-3-89

The rule in para 14 Chapter VI of the Public Works Code should be held to apply.

Rest houses are not inspection houses. If 50 Rs worth of furniture is to be allowed for each 500 Rs of house we should run into thousands of rupees in no time. These rest houses are intended for mere shelter & should, I think, have just their own camp furniture only. I consider that the furniture of them is more waste of money & should not be allowed at all except in very exceptional cases & under special sanction.
