No. 692 D. Ramanna
From. Currier, Andhra Pradesh
To. M. Hayes Esquire,
Executive Engineer,
Gangajam Division

Dated 11-12-92
Encls. Nil

Sir,

Referring to your office No. 2153
8-10-92
informing me that I am not
entitled to Hill tract allowance
by virtue of G. O. No. 2165 W
5-8-92
for the time I served in Gangajam
Hill tracts with Head Quarters
Votlagiri agency tract, I most
respectfully beg to bring into
your generous notice that, though
it is ruled such allowance
take effect from the date of the
said G. O., I deserve special
consideration and kind recommenda-
tion from you under the following
as the benign Government is
pleased to make up the omission
to alleviate the troubles of the
subordinates deputed to Gangajam
Hill tracts.

(1) I was the first D. P. W. subor-
nate served in Gangajam Hill
tracts with Head Quarters at
Votlagiri Agency tract.

(2) It was on my account and
by me the Hill tract allowance
honour was first moved by
me.

(3) I served for about 8 months
to your entire satisfaction in
those unhealthy places as

G. Malet Esquire Incentive

by you

materials required to the machine
works with the greatest difficulty
and made best possible arrangement
for their completion

(4) I left the place, as you were
aware, only when I was quite
helpless and when threatened
with death in a country far
away from my kith and kin
(5) I was not sent to Agency
tracts as a punishment and
my 10 years service in Ganjam
District is unblemished and
willing and ~~anxious~~ ^{anxious} to my
superiors. Under these circumstances
I earnestly beg you will be kind
enough to recommend me specifically
for the allowance as it is anything
but just to deny me the privilege
obtained by the sacrifice of my
energy in the place of my state
of order and I hope the kind
Government will not refuse
the simple favor to one single
deserving servant whose life the
almighty God spared for
claiming it while its bounty
kept open for my successors
who are not worse sufferers than
myself.

Respectfully,
C. B. Annam
Overseer

From A. A. G. Malet Esquire, Executive
Engineer, Kistna Western Division, to the
Superintending Engineer, II Circle, dated
22-2-1893, No. 856 S.

856 S

I have the honor to forward for
your perusal and such action as you
see fit, a letter No. 692 dated 11-12-92
from Overseer C. Ramannab Pantulu
now under my orders to the Executive
Engineer, Ganjam Division.

The letter was duly forwarded by me
and returned with an endorsement by
the Executive Engineer, Ganjam Division.
As that officer has had an opportunity
of and declined to take action in the
matter, I have no hesitation in asking
you to address the Superintending Engineer,
I Circle direct, with a hope that that
Officer will give his generous support
to what seems to me to be a fair claim
on the part of a deserving subordinate.

Overseer C. Ramannab Pantulu
has served some 10 years in the Ganjam
District, and judging by his service
register, has earned the praise of
his superiors by good honest work.

14a

He served for 8 months and 8 days
(17th December 1890 to 25th August 1891)
with Head Quarters in the Hill tracts.

He was invalided and nearly died
owing to the fever contracted there.

It was, I am informed, owing to this
Overseer being stationed in the Hill
tracts that a special Hill tract
allowance of Rs 40 per month was
sanctioned in G.O. No. 2165 W. The

G.O. is dated subsequent to the period
that this Overseer spent in the Hill
tracts, so strictly speaking he is not
entitled to any extra allowance. If
he were entitled, he could claim Rs
330.10.8 at Rs 40 per month.

Government have admitted the necessity
for this allowance, and it seems to me
that it would only be necessary to set
forth the claim of this pioneer Overseer
for Government to admit and pass it.
