PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper :—

From the Surgeon General, Madras
 of 2^d December 1892, No. 766.

I have the honour to submit the enclosed copy of a letter from the Superintendent, Lunatic Asylum, Madras, and to request that the Consulting Architect may be directed to prepare the necessary plan and estimate for the work proposed.

2. With reference to the remark of the Superintendent that the influx of Female Criminal Insane has necessitated the giving up of a sleeping cottage to provide the necessary accommodation, I have to state for the information of Government that the new gaol enclosure makes no provision for the accommodation of female criminal insane and consequently other arrangements had to be made for their reception when transferred from the Asylums at Calicut and Waltair.

Enclosure.

Letter from the Superintendent, Government Lunatic Asylum, Madras, of 1st November 1892, No. 1024

The

The late increase in the Female population of the Asylum arising from the influx of Female Criminals has necessitated the giving up of a sleeping cottage (hitherto used as a workshop) to provide the necessary accommodation. A work shed is absolutely necessary, and it is now proposed to enclose an existing open shed so as to render it suitable for the purposes of a workshop, where the pounding and cleaning of grain may be carried on.

2. As the cost of the work, will, in all probability, exceed £500, I have the honour to request that the sanction of Government be obtained for the preparation of the necessary plan and estimate by the Consulting Architect.

Order 10 January 1873 No 26

The necessary action will be taken in the Public Works Department.
