7TH APRIL 1893, No. 913 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

READ—the following papers:—

From G. D. WYBROW, Esq., Superintending Engineer, I Circle, to the Chief Engineer, Public Works Department, dated Dowlaiswaram, 24th September 1892, No. 360 Gl.

I have the honour to submit the usual proposition statement of temporary establishment required in this Circle for 1893-94 for your approval, with a view to obtain sanction of Government in the usual course.

2. The temporary establishment for which renewed sanction is now solicited has already been covered by sanctions to end of the current year, as per Government orders quoted in the statement, with the exception of one clerk on Rs. 15 pay for Godáviri Eastern Division office.

3. I venture to bring to your notice that this provision is a repetition of the item disallowed by Government in their Order, No. 878 W., dated 17th March 1892, but included again by the Executive Engineer, Godáviri Eastern Division, in his statement of temporary establishment for next year. The work in the Accounts branch is so heavy that the services of an extra clerk is necessary. On the appointment of an Assistant Accountant, this appointment may be held in abeyance. I trust, under these circumstances, the appointment may be sanctioned.

(a) One clerk on Rs. 30 for the Superintending Engineer's office and three clerks on Rs. 20 each for the Ganjam division have been brought forward in connection with Wards' estates. But it is observed that the largest of these estates have since been handed over to the proprietors and that the expenditure on estate works in 1893-94 is estimated at Rs. 12,400 only. The establishment will therefore be struck out.

(c) The watchmen required to guard rest-houses and stores should, with reference to para. 67, chapter VII of the Public Works Code, be charged to "Works" and "Tools and Plant," respectively. The ten irrigation lascars required for seven months in the Vizagapatam division should also be charged to "Works."
