Order—dated 11th April 1893, No. 940 W., Public Works.

The revised and budget estimates of revenue and expenditure under Imperial Military Works for 1892–93 and 1893–94, respectively, accepted by the Government of India in the resolution recorded above, have been adopted in the final issue of the budget.

2. The revised estimate of expenditure for 1892–93, as shown in the preliminary budget, amounted to Rs. 97,956, but the modifications of grants subsequently sanctioned increased the estimate to Rs. 1,01,811. The Government of India has not apparently taken into account the surrender of Rs. 6,479 from the grant for the Medical officer's quarters at Calicut referred to in G.O., No. 676 W., dated 11th March 1893, and has fixed the estimate at Rs. 1,08,290 or Rs. 1,08,300 in round figures.

3. The budget estimate of charges for 1893–94, as shown in the preliminary budget, amounted to Rs. 90,000, but the Government of India has raised the estimate to Rs. 1,17,500 by providing Rs. 7,500 for minor works and Rs. 20,000 on account of the Government contribution towards the cost of the Trichinopoly water works.

4. Funds having been provided in 1892–93 for the completion of the barracks at Calicut, the allotment of Rs. 9,997 provided for the work in the preliminary budget for 1893–94 has been withdrawn in the final issue and the amount distributed to the works specified in para. 2 of G.O., dated 27th February 1893, No. 498 W., the allotments for which were previously reduced to provide for the barracks.

G.O., No. 415 W., dated 17th Feb. 1893.
" 451 " " 20th " "
" 630 " " 8th Mar. "

5. The modifications required to be made in accordance with the orders quoted in the margin have been carried out in the final issue of the budget.

6. The grant of Rs. 6,000 provided for minor works will be placed by the Military Department at the disposal * of the Officers Commanding Divisions and Districts, the Commissary-General and the Inspector-General of Ordnance, to whom Superintending Engineers will apply for allotments required for incomplete and new works under that head.

* G.O., No. 3516 W., dated 23rd Dec. 1892.

7. The distribution of the grant for repairs by divisions is shown in part II of the budget.

8. No expenditure should be incurred on unsanctioned works for which funds have been provided in the budget until estimates have been sanctioned by Government.

9. With these remarks, the final issue of the Military Works budget estimate for 1893–94 will be printed and circulated for the information and guidance of the officers concerned and sixty copies will be forwarded to the Government of India, Military Department.
