READ—the following paper:—

From J. THOMSON, Esq., Collector of the Chingleput district, to the Secretary to Government, Public Works Department, dated Saidpet, 12th July 1892, No. 2350-Eng.

I have the honour to request that Government will be pleased to transfer to this department the vacant post office building at Tiruvallūr, which is now in charge of the Public Works Department and which the Executive Engineer has no objection to spare, as will appear from the enclosed copies of the marginally-noted correspondence. It is required for the use of the village magistrate's chavady and the union office. The building will be kept in good order and given back whenever it is required by Government and I shall settle the terms of occupancy for part of the building with the Taluk Board.

ENCLOSURES.

From C. H. B. BURLTON, Esq., Executive Engineer, Chingleput division, to the President, Tiruvallūr Taluk Board, dated 2nd June 1892, No. 918.

With reference to your No. 422/T.B., dated 6th May 1892, I have the honour to state that the post office building at Tiruvallūr is borne in the register of buildings in charge of Public Works Department, but it was not handed over to this department by the Postal Department when they vacated it in March last.

2. I have no objection to the building being used by the union office and village magistrate's chavady, but sanction of Government should be obtained for its transfer from this department.

From the Postmaster-General, Madras, to the President, Tiruvallūr Taluk Board, dated 16th June 1892, No. 7489/2537.

With reference to your letter No. 505/T.B., dated 9th June 1892, I have the honour to inform you that the building in question being no longer required by this department, has been directed to be transferred to the Department of Public Works.
