Proceedings of the Board of Revenue (Land Revenue), dated 11th March 1893, Mis. No. 1638.

Read—the following paper :—

From M.R.Ry. P. PUNDARIKAKSHUDU GARU, General Deputy Collector, Vinukonda, to the Collector of Kistna, dated Narsaraopet, 31st January 1893.

There was formerly a police station at Kattapalem hamlet of Audugalapad in the Vinukonda taluk. The station having been lately removed to Inavole in the same taluk, the building at Kattapalem, in which the station-house was located, was left unoccupied. The Tahsildar of Vinukonda reports in his arzi No. 409, dated 24th January 1893, that a Public Works Department overseer has put up the building to public auction at the upset price of Rs. 70, but nobody having come forward to offer a higher bid, the overseer suggested to him, at the instance of the village officers, to take steps to transfer the building for village chavadi. At the request of the Tahsildar, the overseer has postponed the sale.

The Tahsildar inspected the building in reference and he reports that the roofing is in a dilapidated condition and the front verandah has fallen down. The walls, he says, are all right and he estimates the value of the building at Rs. 50. I request you will be good enough to take steps to purchase the building from the Village Service fund for village chavadi.

The officer in charge of the Guntúr sub-division asks me in his letter No. 620, dated 24th January 1893, to let him know if the building is required for our department. I request the favour of early orders.

Endorsement by the Collector of Kistna, dated Masulipatam, 27th February 1893, D. No. 355.

Submitted to the Secretary to the Commissioners of Land Revenue, Madras, for necessary sanction.

2. The required amount may be met from the sum of Rs. 5,000 sanctioned for the "construction and repair of village chavadies."

Resolution—dated 11th March 1893, Mis. No. 1638.

Submitted to Government with the request that the necessary orders may be issued for placing the building referred to at the disposal of the Collector for use as a village chavadi.

2. After the transfer is sanctioned, the Collector will submit an estimate for repairing the building.
