SIR,

I have the honor to inform you that the Eurasian and Anglo-Indian Association of Rajahmundry have applied to be allowed to purchase at a nominal price, building No. 9 & 10 in the old District Jail at Rajahmundry, paying a small quit rent for the site. They are required by the association for a library.

2. The buildings in question are not required by this or other Department for any public purpose.

3. I have consulted the Collector in the matter, & he suggests that instead of a transfer on payment for the buildings, that it would be better to hand over the building and site to the association on a nominal rent, on condition that they should be handed back when required by Government. I agree with the above suggestion, & would beg to suggest that a nominal rent of Rs 2 per annum be charged for the two small

buildings & site.

4- The association would require, I imagine, to carry out certain alterations to the Buildings to adapt them for their purpose, but this would be unobjectionable, so long as the buildings were handed back when required in good order, on 3 months notice being given to the Hon^ble Secretary.

5. I enclose for your information a site plan, & plans of the two buildings.

I have the honor to be,

Sir,

Your most obedient Sv^t
