For permission with reference to your office note No 623 C dy/2nd March 1893.

2. Full pay as Assistant Engineer 3rd grade can be passed to Mr. Ramalinga Ayer only from the 9th January 1893, the date on which he joined his appointment.

3. Please favour me with your opinion whether the revision of scale from 1st January 1893, consequent on his appointment cannot hold good under the provisions of G.O. No 3376 W dy 9th December 1887, which embodies the Govt of India ruling that revision of scale on the appointment of Coopers Hill Engineers should have effect from the date of their posting irrespective of actual date of joining.

Secy. P.W. Accts

Sir,

With reference to your telegrams of the 30th November & 2nd Decr 1892, ruling that the readjustment of rents necessary under paras 52 & 53, Chap. I, P.W. Code

Code, when Coopers Hill engineers join the Indian establishment, may be made with effect from the date of the notifi= cation posting them, I am directed to in= quire whether a similar principle may be adopted in connection with the appointment to guaranteed posts of engineers from the Madras College of Engineering —

2. The case which has given rise to this reference is as follows,

Mr A. V. Ramaliga Aiyar, who obtained the guaranteed appointment to the Madras Engineer establt. at the beginning of the current Year, was posted to the dept. with effect from the 1st January 1873, but owing to the Christmas holidays intervening, he did not actually join his appointment until the 9th idem — under Articles 64 & 69 C.S. Regns. he commenced to draw pay from the latter date, but the promotion in the engineer establt. which became admissible in consequence of the augmentation of scale were made with effect from 1st January 1873. The Govt. Accts. consider that the revision of scale should be made from the date Mr Ramaliga Aiyar began to draw pay, and suggests a reference to the Govt. of India on the subject.

3. I am to add that if the question asked in

in part of this letter
be answered in the
affirmative, the ad-
=adjustment of scale
will not in any case
be made before 1st
January.

Yours truly
