6th March 1893

To,
The Chief Engineer
P.W.D. Madras

Sir,

Most Respected Sir,

With due respect and humble submissions I the undersigned humble Pensioner, and a permanent Clerk of the Office of the Examiner of P.W. Accounts Madras with the permission of the Examiner of P.W. Accounts granted in his letter No. 414 dated 15th Feby/93 beg to submit my grievances to Government and ask for justice.

2. My first appointment in the Office of the Examiner of P.W. Accounts Madras as a Sub-auditor commenced in September 1865 on a monthly salary of Rs 30. From September 1865 to April 1879, I had served in the very Office both in the capacity of a Sub-auditor and Auditor, and was sent out as Divisional Accountant of Salem Division in 1879 till when, I have rendered entire satisfaction in all the works entrusted to my charge as can be seen from the copies of my testimonials, Annual Efficiency Reports from the Executive Engineer and the Inspection Report of the Dy. Examiner and the Government order thereon. (Copies Enclosed).

While such was the case, I was taken out in the Reduction of 1880. Sparing such of the men who have not rendered the Divisional Offices in their service longer the Departmental wasonly destined to get a small Compensation Pension of Rs 6 per mensem, when an advancement was fully looked upon to my past Service in the Department. Had I been retained in the Department, I would have been graded Accountants along

with others in the new System and would have by this time come up to the position of a 4th on 3rd Grade Accountant and would have been in an equal position with that of my contemporaries. This was the first blow and check I had to point out in my prospects of life in this office.

Subsequently I was appointed as a Clerk in 5th Class 2nd Grade in the same office in which after serving 5 years I have come up to the maximum Salary and need have continuing to draw the same till May 1892. When the present Examiner sent me up to Kurnool Dr on Famine duties as an Assistant Accountant on a monthly Salary of Rs 60. This appointment I took up on the understanding that I may be allowed to join back my permanent appointment when the temporary appointment ceases. Vide Chapter XVI of Rule 610 of the Civil Service Regulations.

After joining the temporary appointment at Kurnool I made an application to the Examiner through the Executive Engineer to provide me an promotion & permanent Clerkship appointment in his office in the Division and of the Clerical Establishment the Salary of which shall not be less than Rs 60 so that I may surrender my small Compensation pension of Rs 16 per mensem and better my prospects by the amalgamation of the two Services the present Service after the reduction being 15 years vide Chapter XXI Article 569 b of the Civil Service Regulations. This was the main object with which I have sent in my application from Kurnool but not with an object of sacrificing a public service of more than 10 years by the transfer as a temporary place elsewhere

elsewhere which has now resulted to the deprivation of my permanent and Executive appointment in this office.

993

Instead of complying with my request as above said the Examiner transferred me from the Executive Engineers office Nellore to the East Coast Railway Examiners office Waltair as an audit Clerk on a Salary of Rs 60 per mensem I was obliged to accept this offer per Peon dated 18th July 1892 to EE Nellore Dr (Copy Enclosed) though it was much against my will. Either my application from Kurnool to the Endorsement thereon does not seem that I am entitled for Employment Elsewhere or am available for Employment Elsewhere on equal date as stated in Examiners letter No 68 dated 9th July 1892 to the Examiner of Accts Railways but all the two was asked for was to secure me a place the Salary of which was not to be less than Rs 50 viz the Revised Scale of the Clerical Establishment of his office which was under sanction before the Local Government

After joining the new appointment I received the Establishment of the East Coast Railway Examiners office and by giving a perusal to the rules and from his letter No 141 dated 30th August 1892 communicating his office Note to Dr No 962 dated 5th August 1892 and the EE thereon No 2337 dated 23rd August 1892 that the appointment was purely temporary and that Supervisor was from qualifying and that Supervisor was from qualifying to Non qualifying Service and that the period of Non qualifying Service shall not be counted and that it is only upon the Examiners obtaining

ing the employment in the pensionable Establishment, my past services will reckon as qualifying; but to fall within the meaning of article 460 of the Civil Service Regulations, I should say that I did not volunteer such non-qualifying Service, for the Executive Engineer Kurnool (whilst the Examiner that my services were available for transfer. To say at least that Jamine accounts were shortly being closed at Kurnool, which led to the transfer, I beg to point out, that the Examiner after depriving me of my temporary appointment at Kurnool has transferred another man in my stead, from this it is manifest that Jamine accounts were still to continue, and had I been retained in the very appointment, I would have been benifitted fully for one year at the rate of Rs 60 per mensem. I leave it therefore to your judgment to see to what a dead loss I was put into by my being shifted while it was not even a month and a half since that I have joined Kurnool.

On hearing from Examiners letter No. 1181 A above dated 30th August 1892 to the Examiner of East Coast Railway that my appointment has resulted with a non-qualifying Service and also on finding that I was not able to satisfy the Dy. Examiner therein the East Coast Railway in any from regarding the ways & means what I have done, as explained in my application to the Examiner of P. W. Accounts Madras, I signed the temporary appointment in the Railway Examiner's Office which was duly accepted. I communicated the fact to the Examiner of P. W. Accounts Madras and requested him to provide me my permanent clerkship appointment in his office for which I have not even got a reply although I have twice reminded with any reply although I have twice reminded him on the subject.

993/4

I now ... steps to which I am have pursuing to ... after the 1st June 1880 by my being given a permanent clerk, I had to refund a total as a permanent clerk, I had to refund the bonus of Rs 150. Now I have how to become a loser of.

2ndly If I would have been retained at Kurnool I would have been benifitted by Rs 720 for one year at the rate of Rs 60 per mensem. This I was deprived of by my transfer to Vizagapatam.

3rdly I had to spend about Rs 150 Rs in the way of Travelling Expenses in going to and coming from Vizagapatam.

Less by the loss of my permanent appointment as a Clerk in the Examiner's Office P. W. Madras

My motive though not to accumulate even above being to secure my permanent appointment as a clerk in the Examiner's Office with a view that nothing should be left to chance. I request that my helpless case may be taken into deep consideration, and justice rendered either by issuing orders to give me my appointment back as permanent clerk in the Examiner's office or by remunerating me by something to my past Service of upwards of 11 years So that I and my poor large family shall live thereby in these hard days.

I beg to be excused for my intruding on your valuable time and

I beg to remain

2. The Examiner of Accounts, East Coast Railway, having applied to me for the services of a few audit clerks for his office, opportunity was taken to provide this clerk with an appointment on higher pay (Rs 60 per mensem) and as his status in the East Coast Railway Examiner's office was only temporary, sanction of Government was obtained to the transfer of the clerk from qualifying to non-qualifying service in order that his past services might not be reckoned, vide G.O. No. 2338 W dated 23 August 1892.

3. The clerk voluntarily resigned his appointment in the East Coast Railway office, as he himself admitting to his inability to satisfy his superiors in that office.
