SUPERINTENDING ENGINEER'S OFFICE,

No. 1298. Camp Lower Anicut V Circle, Madras,

Chepâk, 29 March 1893.

From J. Wannan Esqr

SUPERINTENDING ENGINEER, V CIRCLE,

To

THE Chief Engineer

P W Department

SIR,

Enclosures.

With reference to para 2 of G. O No 231 dated 18th January 1893. I have the honor to inquire on what grounds Mr Davidson's claims have been disallowed.

2. It is not contended that upkeep of Camp equipage was unnecessary - The claim is not therefore disallowed on this ground.

3. Mr Davidson points out to me that the Examiner's argument that if concessions were made in a revised Edition of Civil Service Regulations no one would be slow to claim them

with

with retrospective effect- ⁊ not to the
front, as when concessions are made
they are not communicated to the Offices
concerned through the medium of the
Civil Service Regulations though they
are embodied in their Regulations after
previous communication to the Offices
Concerned in which the date from which
the concessions are to take effect are
invariably stated.

4th It seems therefore only
reasonable that when concessions
are withdrawn that the same procedure
should be adopted — I am therefore
of opinion that Mr Davidson's
claims should be allowed.

I have the honor to be
Sir
Your most obedt Servt
