SIR,

In forwarding the enclosed letter from the Executive Engineer Rushikulya Division regarding the travelling allowance of Engineering apprentice Mr. Jordan, I have the honor to recommend that single horse allowance (Rs. 15) per mensem at least may be sanctioned -

2. As pointed out by the Executive Engr it is desirable that Mr. Jordon should accompany the Sub Division Officer, under whose orders he has been placed, & this he cannot do, without the aid of a pony, for the upkeep of which six annas a day is inadequate -

I have the honor to be,

Enclosures.

Sir,

I have the honor to request that you will be good enough to obtain sanction for double horse allowance Rs. 30 per month to Mr Jordan, who has been posted to this Division for practical training.

2. Mr Jordan is entitled to annas 6 travelling allowance per day, and this is not sufficient to enable him to keep a poney.

3. If Mr Jordan is to gain any benefit from his training, it is desirable that he should accompany Mr Eve the Sub Divisional Officer, under whom I have placed him, as much as possible; & this he cannot possibly do on foot, as the works are much scattered.

4. A pony is therefore indispensible, & I have the honor to request that you will support my proposal.
