GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following papers:—

From the Agent, South Indian Railway, dated 21st January 1893, No. 81, with enclosure.

Endorsement by the Consulting Engineer for Railways, dated Madras, 10th February 1893, No. 70.

Submitted for the orders of Government.

2. In June 1892 the Agent, South Indian Railway, submitted plans and schedules for land required permanently for the construction of additional staff quarters at Pákala junction station. This land included a plot, 3.13 acres in extent, which it was intended to set aside for the purposes of a cemetery for the railway employés at that station.

3. The Agent now submits an estimate, amounting to Rs. 2,512, chargeable to the capital grant of the Villupuram Guntakal State Railway, for constructing a boundary wall round the cemetery at Pákala.

4. Under paragraph 1 (b), annexure A to appendix M, volume I, Government of India Public Works Department Code, all outlay on cemeteries is chargeable to Provincial funds from which the cost of the land must also be met, and as the Villupuram-Guntakal Railway is an Imperial State line, the cost of the land and boundary wall for the cemetery at Pákala cannot be debited to the grant for that railway.

5. The land for the cemetery, which is wholly Government poramboke, has been acquired and handed over to the railway authorities who were also permitted to present to the Bishop of Madras, on the occasion of his visit to Pákala on the 13th October 1892, a petition for the consecration of the ground.

6. Under these circumstances, it is requested that Government may be moved to confirm the grant to the Railway Company of the land in question and to allot from its Provincial reserve the necessary funds, viz., Rs. 2,512, for the boundary wall which, it is recommended, should be constructed by the Railway Company.

Office-note from the Examiner of Public Works Accounts, dated Madras, 4th March 1893, No. 667 C.

According to the last clause of rule I of annexure A to appendix M of the Code, there appears to be no objection to the estimate referred to being sanctioned under Provincial, Original Works, Civil Buildings; but if the execution of the work is to be entrusted to the Railway Company, the expenditure should be transferred by it to the nearest Executive Engineer of this department and that Executive Engineer should be instructed to account for the outlay thus transferred to him by debiting it against the grant for his division.

ORDER—dated 13th March 1893, No. 685 W., Public Works.

The estimate, amounting to Rs. 2,512, for constructing a boundary wall round the cemetery at Pākala on the Villupuram-Guntakal State Railway, is sanctioned for execution by the South Indian Railway Company and the amount is appropriated from the Provincial reserve.

2. The attention of the Consulting Engineer for Railways and the Superintending Engineer, IV Circle, is drawn to the Examiner's remarks with regard to the adjustment of the expenditure which will be accounted for in the North Arcot division.

3. The grant to the Railway Company of the land in question is confirmed.

4. The sanction accorded in para. 1 of these Proceedings has been registered as Provincial No. 121 W. of 1892-93 and classified as Civil Buildings, Original Works.

MARCH.

Cemetery at Pakala

Estimate of Rs. 2,512 for constructing a boundary wall round the — on the Villupuram-Guntakal State Railway, sanctioned for execution by the South Indian Railway Company.

Form No. 1.

PUBLIC WORKS DEPARTMENT.

OFFICE OF CONSULTING ENGINEER FOR RAILWAYS,

Madras, ^{3/85} 10th February 1893.

Letter from the Agent, South Indian Railway, No. 81, dated 21st January 1893, with enclosures.

No. 70

SUBMITTED

for the orders of Government.

Subject.

2. In June 1892, the Agent, South Indian Railway, submitted plans and schedules for land required permanently for the construction of additional staff quarters at Pakala Junction Station. This land included a plot, 3.13 acres in extent, which it was intended to set aside for the purposes of a

a cemetery for the railway
employees at that station.

3. The Agent now submits
an estimate amounting to
Rs 2,572, chargeable to the
Capital grant of the Villu-
puram Guntakal State
Railway, for constructing
a boundary wall round
the cemetery at Pakkala.

4. Under paragraph 1
(b) Annexure A to Appendix
III volume I, Government
of India, P. W. D. Code, all
outlay on cemeteries is
chargeable to Provincial
funds from which the
cost of the land must also
be met, and as the
Villupuram Guntakal
Railway is an Imperial
State

State line, the ^{4/885}cost of the
land and boundary wall
for the cemetery at Pakkala
cannot be debited to the
grant for that railway.

5. The land for the
cemetery which is wholly
Government property
has been acquired and
handed over to the railway
authorities, who were also
permitted to present to the
Bishop of Madras, on
the occasion of his visit
to Pakkala on the 13th October
1892, a petition for the
consecration of the ground.

6. Under these circum-
stances, it is requested
that Government may
be

be moved to confirm
the grant to the Railway
Company, of the land
in question, and to allow
from its Provincial re-
serve the necessary funds,
viz Rs 2,512, for the boundary
wall which, it is re-
commended, should be
constructed by the Railway
Company.

A. D. G. Thiller, Capt. R.E.,

for offg. Commr. Engrs. for R.E.

No. 667. Coy 43-93

To W.

According to the last clause of
rule I of annexure A, to Appendix M. of
the Code, there appears to be no objec-
tion to the estimate referred to being
sanctioned under Provincial Original
Works, Civil Buildings; but if the execu-
tion of the work is to be entrusted to
the Railway Company, the expenditure
should be transferred by it to the near-
est Executive Engineer of this Depart-
ment and that Executive Engineer should
be instructed to account for the outlay
thus transferred to him by debiting it
against the grant for his Division.
