PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following paper :—

From the Registrar of the High Court of Judicature at Madras, Appellate Side dated 28th April 1893, No: 1280.

The Acting District Judge of Madras has brought to the notice of the High Court the inadequacy of the accommodation for securing property produced before his Court in Sessions Trials, and requests that the Government may be addressed with a view to having an estimate prepared for enlarging and improving the property room.

2. From the copy of his letter No: 207, dated 6th instant and its enclosure forwarded herewith, it appears that a separate room which has hitherto been utilized for this purpose is now required by the D. P. W. and that on this account an extension of the property room is necessary. The plan suggested by the District Judge of extending the room, so as to include the vacant space lying between it and his private room seems a suitable arrangement, and I am to request therefore that the Government may be pleased to make the requisite orders empowering

the

D. P. W. authorities to and submit
and estimate.

Order of 8th May 1893, No: 949.

The High Court's recommendation is
proved and the necessary action will be taken
the Public Works Department.
