From A. S. Russell Esquire, Executive Engineer,
Buckingham Canal, to the Superintend-
ing Engineer, II Circle, dated & Publicat.
27 April 1893, No 287.

With reference to Memo No.
1756 C d, 14th Instant, from the Deputy
Chief Engineer, P. W. D., forwarded
to me for report with your endorsement
No. 26 N. E. d, 20th Instant, I have the
honor to say that the sanction now
required for this official year is
merely a continuation of that accorded
in L. O. No. 214 W. d, 31st January 1893.

2. I notice the man was then
sanctioned as a "watcher" and in
my recent application he is termed
a "sweeper". He combines both duties
and is very much wanted to preserve
the monuments from injury and to
sweep the interior of the temples after
native festivals.
