ORDER—dated 24th October 1893, No. 2720 W., Public Works.

His Excellency the Governor in Council considers it desirable to improve the clerical staff of the Public Works Department in the mofussil by introducing a class of better educated men than those obtainable under the present system of recruiting, and accordingly directs that one appointment in the 4th class, 2nd grade, on Rs. 30—40, shall be reserved in each circle on the occurrence of the first vacancy in each calendar year for men who have passed either the F.A. or B.A. examination.

2. In the event of candidates possessing these qualifications not being available, Superintending Engineers will report the matter for the orders of the Chief Engineer.

Clerical Staff of the
Public Works Department

Issuing orders for the improvement of the
— in the mofussil by the introduction of a
class of better educated men than those
obtainable under the present system of
recruiting.

P. W. DEPARTMENT.

2720
Read the following:—

FOR ORDERS.

Under the present
system of recruiting the
clerical staff the P.W.
Dept. does not obtain
a sufficiently good
class of men. What with
the low initial pay of
Rs 15/- and the few
highly paid appointments
the service is not
sufficiently good to
attract graduates of
the University. The
Headclerks of Division
Offices are not as a
rule fit for their posts.

and generally speaking
the standard of efficiency
is below requirements.

G.O. 1802 A of 10th July 1893
enables clerks who have
qualified in Accounts
to enter the Department
at a higher scale of pay
Rs 30-2-40 with the
additional prospect of
being brought into the
more highly paid
accounts branch. A
certain number of
vacancies are reserved
for such men. I think
of a similar course
be adopted in favour
of men who have taken
at the degree of BA and
B.A., it may have the
desired effect of
introducing a class of
better educated men
who

who will after
comparatively few years
experience in the Dept
be found very much
better fitted for the
higher posts than those
obtainable under the
present system.

The intention
apparently is that
a certain number

taken an university

After appointments

so reserved, the

can never get
promotion in those

Perhaps alternate
 paramis might
 be reserved - &
 a certain number
 also reserved in

Inquiry has been made, and it has been found, that there are no clerks possessing University degrees in the establishments of the P.W. Dept. the Mofussil.

Clerical staff of the P.W.D.

It is submitted that if one post in the 4th class, 1st grade, were reserved annually in each Circle for men

who have passed either the or B.A. examination, the clerical service would in

time be considerably improved. There are 50 clerks in the Dept. drawing salaries from Rs 80 to Rs 250. These are

to which it is considered should be filled up eventually the most part by B.A.s and

I think the suggestion is a good one. It should be carried out.
