P. W. D.

Office of the Consulting Architect to Govt.,
 Chepauk, Madras,
 7th September 1893.

No. 1726

From

Henry Inwin, Esq., C.I.E.,
 Consulting Architect
 to the Government of Madras,

To

The Chief Engineer
 Public Works Department

Sir,

Enclosures.

x vide No 934 D28/9
 filed at 0064

With reference to G.O. No. 2287/11 dated the 5 September 1893, I have the honor to state that the difficulty in carrying out the orders of Government are these:

A work either original or of repair has to be done without delay to the water supply of the various buildings in Madras. The Municipality insists on its being carried out by licensed plumbers so that these people have a monopoly amongst them. They keep a stock of the various articles pipes, bends, corks, valves &c and it saves considerable trouble and delay to purchase these materials from the plumber who is employed to do the work. If for each case it is necessary

to

to indent on the stores department for say
100 or 200 or 250 Rupees worth of materials
considerable delay must accrue. If the P. W. D.
workshops were to keep a stock of these
articles (as is done in the case of galvanized
corrugated iron) that portion of the difficulty
could be got over, but there still remains the
difficulty of the licensed plumber who
heretofore has had the supplying of the
materials which he will be loath to
relinquish. In this case the 50 Rupees
limit is inconvenient. However as the
orders of the Government of India must
be carried out there is nothing for it
but to put up with the delay. In case of
great urgency I should hope that the
rule may be relaxed but each case will
be referred for orders of Government in
future.

I have the honor to be
Sir
Your most obedient servant

Henry Irvine
Consulting Architect
to Government.

Memo.

2/2733

With reference to his letter No. 1726 dated 7th Sept. 1893, the Consulting Architect is requested to report what necessity there is for purchasing piping materials if the work is carried out on petty contract by licensed plumbers who can supply them.

They can be paid by the job and no purchase will be required in the case.

No. 1885

From

Henry Inwin, Esq., C.I.C.,
Consulting Architect
to the Government of Madras,

To

The Chief Engineer
Public Works Department.

In,

Enclosures.

In reply to your No. 869 of dated
18th Instant, I have the honor to report that
as you point out there is no necessity for a
purchase being made when the petty
contractor is paid by the job or by the
quantity for erecting & fitting piping, taps
bends &c. Your orders will be attended to in
future and works carried out accordingly.

I have the honor to be
