COPY RREPORT BY CONSULTING ENGINEER, DATED
6th SEPTEMBER 1893.

Madras Titan

I find that it is desirable that there should be in store in Madras four (4) spare ordinary wheels for this Titan.

I have been in communication with Messrs. Ransome on the subject and enclose their letter to me of the 28th August in which they offer to supply 4 wheels at £33.15 each, which I have to recommend for acceptance.

29th September 1893.

Sir,

With reference to the second paragraph of my letter No.S.7484 dated 28th July 1893, I have the honour to forward a copy of a report by the Consulting Engineer, dated 6th September 1893, recommending that 4 spare solid steel wheels and axles be now supplied for the end bogies of the titan crane.

In these circumstances the wheels and axles in question have been ordered without waiting for your reply to my above quoted letter, but no steps will be taken for the provision of the balance of 4 wheels and axles demanded in item 2 of the indent transmitted with your letter No.1583 W of 14th June 1893, until I receive a further expression of your wishes inthe matter.

I have the honour to be, Sir,

Your obedient Servant,

E. G. BURLS

Assistant Director General of Stores.

The Secretary to Government,
Public Works Department,
Madras.

It is requested that in any further communication on this subject the under-mentioned letter and number may be quoted, and the reply addressed to—

The Director General of Stores,
