READ—the following paper:—

Proceedings of the Board of Revenue (Land Revenue), dated 11th October 1893, Mis. No. 5803.

Read—the following letter from H. A. STUART, Esq., Collector and District Magistrate, North Arcot, to the Secretary to the Commissioners of Land Revenue, dated Ranipet, 7th October 1893, Ref. on No. 7224-Gl. Eng.

In G.O., dated 15th May 1893, No. 1305 W., communicated with Board's Proceedings, dated 14th June 1893, No. 3553, the Government has sanctioned the extension of the record room of the taluk cutcherry at Arcot by 12 feet on the south so as to allow of the erection of two more record stands. The Sub-Collector now states, however, that the proposed extension does not meet all the requirements and requests that the room may be extended by 25 feet at least. He reports that there are more than 110 dufters of records besides pattas and kachayets for sale which are now, for want of space in the record room, preserved in the sub-jail lumber room. In addition to these there are the Sub-Magistrate's records, which, as forming part of taluk records, should also be lodged in the same record room. The Sub-Collector adds that, when he made the first proposal, he overlooked, by mistake, these important considerations. I have the honour, therefore, to request that the Board will be pleased to obtain the sanction of Government for extending the record room by 25 feet instead of by 12 feet as originally proposed.

Resolution—dated 11th October 1893, Mis. No. 5808.

Submitted for the sanction of Government.

Sir,

In G.O. dated 15th May 1893 No 1305 W,
Communicated with Board's Pro-
ceedings dated 14th June 1893 No 3553,
the Government has sanctioned
the extension of the Record Room
of the Taluk Kutcherry at Arcot
by 12 feet on the South so as to
allow of the erection of two more
record stands. The Sub Inspector
now states, however, that the
proposed extension does not meet
all the requirements and requests
that the room may be extended

by 25 feet at least. The reports
that there are more than 110 duffens
of records besides pattas and
kachayets for sale which are now
for want of space in the Record
Room, preserved in the Sub jail
kitchen room. In addition to these
there are the Submagistrate's records,
which, as forming part of
Taluk records, should also be
lodged in the same record room.

The Sub Collector adds that when
he made the first proposal, he
overlooked, by mistake, these
important considerations. I
have the honor, therefore, to request
that the Board will be pleased
to obtain the sanction of Govern-
ment for extending the Record room
by 25 feet instead of by 12 feet
as originally proposed.
