GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following papers:—

From the Quarter Master General, Madras Army, to the Secretary to Government, Military Department, dated 5th October 1893, No. 1876 M.W.

In forwarding, for the information of Government, the accompanying letter No. 2734 B. of 30th September 1893 from the General Officer Commanding Southern District, I am desired to state that the sum of Rs. 6,000 allotted in the current

For the carrying out of certain works at Port Blair— <i>vide</i> Quarter Master General's letter No. 1334 M.W. of 7th July 1893	Rs. 3,501	financial year's budget estimate for the execution of minor works at stations in this Presidency in charge of the Public Works Department has been distributed as noted in the margin.
General Officer Commanding Southern District	1,000	2. Government has decided that the above grant is intended to meet the cost of all minor works costing Rs. 2,500 and less; but it will be manifestly impossible for the General Officer Commanding Southern District to provide the funds required for erecting lightning conductors at the West

Hill barracks, Calicut, from the small allotment that has fallen to his share for minor works. Under these circumstances, I am desired to solicit that Government may be pleased to sanction a special allotment for the execution of this very necessary and most important work either from the reserve that has been held at its disposal for major works or from some other source.

3. It has also been brought to notice that there are several other important minor works at Public Works stations in this Presidency which cannot be taken in hand owing to want of funds.

ENCLOSURE.

From the General Officer Commanding Southern District, to the Quarter Master General, Madras Army, dated Wellington, 30th September 1893, No. 2734 B.

With reference to Proceedings of the Madras Government, No. 1549 W., dated 10th June 1893, I have received from the Superintending Engineer, IV Circle, an estimate, amounting to Rs. 1,040, for providing lightning conductors to the barracks at West Hill, Calicut.

Under Proceedings of the Madras Government, No. 1940 W., dated 26th July 1893, the charge appears debitable to my minor works grant; as however my total grant was only Rs. 1,000, which is already partially expended, I am unable to allot funds for this work, and, unless money can be found from some other source, the British soldiers at Calicut must remain exposed to real danger from lightning in spite of the urgency brought to notice in your No. 1032 M.W., dated 29th May, to the address of the Secretary to Government, Military Department.

The most I can do in the matter is to allot Rs. 200 from my grant.

Telephonic message from the Secretary to Government, Military Department, to the Quarter Master General, Madras Army, dated 11th October 1893, No. 6722.

Reference.—Your No. 1876 M.W. of 5th October.

As the Government of India have now declined to sanction the transfer of Rs. 3,501 from the minor works grant for carrying out certain works at Port Blair (*vide* correspondence forwarded with my 6671, dated 7th October 1893), please say whether the sum required for providing lightning conductors for the West Hill barracks at Calicut cannot be met from the sum of Rs. 3,501 above mentioned.

Telephonic message from the Quarter Master General, Madras Army, to the Secretary to Government, Military Department, dated 11th October 1893, No. 63 M.

Your 6722. The sum required for providing lightning conductors at Calicut can be met, as suggested by you, from the allotment originally set apart for works at Port Blair. It is presumed latter sum is now at Army's disposal for distribution to General Officers Commanding. Please say if this presumption is correct.

Telephonic message from the Secretary to Government, Military Department, to the Quarter Master General, Madras Army, dated 12th October 1893, No. 6792.

Presumption in your 63 M. of 11th October correct, as the sum ordered by the Government of India to be allotted for Port Blair has now been released.

ORDER—dated 2nd November 1893, No. 2790 W., Public Works.

* No. 2093 W., dated 14th August 1893.

Communicated to the officers concerned in continuation of G.O., No. 4976 * (Military), dated 1st August 1893.

2. It is observed that the sum of Rs. 3,501, the proposed transfer of which to minor works at Port Blair has been disallowed by the Government of India, will be distributed by the Quarter Master General among the General Officers Commanding Districts, and that the allotment required for providing the barracks at West Hill, Calicut, with lightning conductors will be provided from that amount.
