Memorandum from the Public Works Department
dated 7th July 1893 N^o 529 D.

Order 15th August 1893 N^o 292

The Government sanctions the design and estimate for Rs 1,52,242, as modified by the Chief Engineer for the construction of a pier at Tuticorin. The further necessary orders will be issued without delay in the Public Works Department.

2. The Financial Department will be requested to arrange immediately to liberate by a grant from Provincial Fund the loan of Rs 70,000 made by the Tinnevely District Port Fund to the Camlian Pilotage Fund towards the cost of the dredger "Wenlock". This will enable the District Fund to meet the cost of the pier and the necessary funds will be provided on application to the Financial Department.

3. The Chief Engineer's proposal that the charge for Public Works establishment and Tools and Plant should in this instance be

be fixed at 5 percent on the cost of the
work is approved.
