GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following papers:—

From T. W. RAWLINS, Esq., Accountant-General, to the Chief Secretary to Government, dated Fort St. George, 18th March 1893, No. 849.

With reference to your memorandum No. 88, dated the 19th of January 1893, I have the honour to forward Statements A and B, the former showing the entire expenditure on account of famine relief incurred in each district under 33. Famine Relief in the years 1890-91, 1891-92 and 1892-93 up to and inclusive of the figures for January 1893, and the latter that under the various departmental heads during the same period.

2. I also enclose a statement furnished by the Examiner of Public Works Accounts showing the expenditure incurred in the Public Works Department on famine relief in each division under Grants 43 and 45 in 1890-91, 1891-92 and 1892-93 up to November 1892. The figures shown under the column "the abnormal or famine portion charged to the Civil Department," were brought in the civil accounts under 33. "Famine Relief," "Special Public Works charges," and are included in my Statement A.

M. No. 2.

It is observed that the accounts furnished are not complete up to date. The entries of the Public Works Department have been closed only up to November 1892, those under other Provincial heads up to January 1893, and in some Local Fund accounts up to September 1892.

2. The Accountant-General is requested to complete the returns up to date and to add particulars relating to the famine charges in 1889-90. All famine outlay booked under adjusting heads should be shown in a separate statement, direct famine expenditure being distinguished from contributions made for covering deficits.

(Signed) J. F. PRICE,
Chief Secretary.

FINANCIAL DEPARTMENT.

READ—the following papers:—

From T. W. RAWLINS, Esq., Accountant-General, to the Chief Secretary to Government, dated Fort St. George, 18th March 1893, No. 849.

With reference to your memorandum No. 88, dated the 19th of January 1893, I have the honour to forward Statements A and B, the former showing the entire expenditure on account of famine relief incurred in each district under 33. Famine Relief in the years 1890-91, 1891-92 and 1892-93 up to and inclusive of the figures for January 1893, and the latter that under the various departmental heads during the same period.

2. I also enclose a statement furnished by the Examiner of Public Works Accounts showing the expenditure incurred in the Public Works Department on famine relief in each division under Grants 43 and 45 in 1890-91, 1891-92 and 1892-93 up to November 1892. The figures shown under the column "the abnormal or famine portion charged to the Civil Department," were brought in the civil accounts under 33. "Famine Relief," "Special Public Works charges," and are included in my Statement A.

M. No. 2.

It is observed that the accounts furnished are not complete up to date. The entries of the Public Works Department have been closed only up to November 1892, those under other Provincial heads up to January 1893, and in some Local Fund accounts up to September 1892.

2. The Accountant-General is requested to complete the returns up to date and to add particulars relating to the famine charges in 1889-90. All famine outlay booked under adjusting heads should be shown in a separate statement, direct famine expenditure being distinguished from contributions made for covering deficits.

(Signed) J. F. PRICE,
Chief Secretary.
