OFFICE NOTE No. 1529-8.

To

Your office note No. 3268 C. dated
4th. October 1893.

G.O. No. 1802 W. dated 10th. July
1893, under which Supg. Engineers have
been directed to reserve one vacancy
for a clerkship on a salary of Rs. 30-2-40
for men who have passed the Entrance
Test for the Subordinate Accounts Branch
is based on Government of India Resolu-
tion No. 129 A.E. dated 1st. June 1893. The
conditions are -

- (1) They must be men who have passed
the Entrance Test.
- (2) That they are likely to qualify
for Accountants.
- (3) That they are willing to accept
general service.

2. The man referred to by the Supg.
Engineer has passed the Entrance Test,
and if in the opinion of the Supg. Engi-
neer he is likely to qualify for an Ac-
countant and is willing to accept gene-
ral service, there is no reason why he
should not be appointed to the vacant

clerkship. That he is junior to 19 other clerks in the Circle has no bearing on the case.

3. Under ^{the} Supg. Engineer's proposal that a clerk should have at least eight years service before he can be appointed to one of the reserved vacancies, a clerk must have at least 10 years service and be 30 years old before he can get an acting appointment as Accountant 8th. Grade; and this is not desirable.

4. If there are men in other Circles who have passed the test and are senior to the man referred to, there is no objection to the senior being transferred to the 4th. Circle to fill up the vacancy.
