Dated 18. 8. 1893.

No. 4788 Mis.
Routine.

for 1892-93

Read Report on the state of records from B. A. Mulla Esq. Ag. Collr of Kurnool to the Secretary to the Commr of Land Revenue, Madras, dated 18 July 1893, No. 137. Enq.

Resolution

* In the Ramallakota office the records are not protected from white ants and some of the records are said to have been attacked by insects. Steps should be taken for rendering the record room proof against the attack of white ants and the record clerk should be made to see that the records are not further damaged by insects. In the Nandyal Taluk office the record room is a new one on the standard plan but the Collector reports that the space is insufficient for the records of the Stationary Sub. Magistrate who has no Court room of his own, and proposes to ask the Executive Engineer to prepare plans and Estimates for a Court and Record room for the Sub. Magistrate. The proposal is approved.
