OFFICE NOTE No. 1504 C

In the travelling allowance bills of the Kurnool Division for May, June, July and August 1893, claim to travelling allowance was preferred on behalf of Samuel Pillay, Irrigation Superintendent. As members of the Irrigation conservancy establishment are usually not entitled to travelling allowance, the Executive Engineer was asked to explain the circumstances under which travelling allowance was claimed in the case of Samuel Pillay. In reply, the Executive Engineer stated that in consequence of the departure on privilege leave of N. Kumarasawmy Achary, Overseer, Samuel Pillay was deputed to do his work. It was pointed out to the Executive Engineer that sanction of Government to the grant of travelling allowance was necessary under Civil Service Regulations article 1103 to enable this office to finally admit the claim.

2. The Executive Engineer contends that inasmuch as travelling allowance as Overseer has not been claimed for

the Irrigation Superintendent, the rule quoted does not apply and that the Irrigation Superintendent having been ordered to proceed beyond the limits of his jurisdiction by the Supg. Engineer, is entitled to travelling allowance under article II33(b).

3. There is some force in Executive Engineer's argument but as he clearly states that the Irrigation Superintendent was deputed to perform the duties of Overseer, it seems to me that sanction of Government to pass travelling allowance is still required, irrespective of the fact that he claimed travelling allowance of his own rank and not that of an Overseer.
