GOVERNMENT OF MADRAS.
FINANCIAL DEPARTMENT.

READ—the following paper:—

Resolution of the Government of India, Finance and Commerce Department (Accounts and Finance—Stores), dated Simla, the 18th September 1893, No. 4075-S.R.

Read—

Resolution in the Finance and Commerce Department, No. 185, dated the 10th January 1883.

Under the Resolution quoted Chubb's locks, like other articles of European manufacture, should be obtained from England by indent on the India Office, but it appears that they are often obtained in the local markets. This practice should cease and the locks be obtained by indent on the India Office. As they are in constant demand in most public offices, it will be convenient in practice and economical that the indents should be made on the Stationery Office and by it be sent to the India Office.

2. His Excellency in Council accordingly directs that in future Chubb's locks should be obtained through the Stationery Offices and included in the general stationery indent.

Order.—Ordered that the foregoing Resolution be communicated to the Departments of the Government of India; to the Local Governments and Administrations; to the Comptroller and Auditor General; to all Accountants-General and Comptrollers; and to the heads of departments under the Finance and Commerce Department.

(Signed) J. E. O'CONOR,
Asst. Secy. to the Govt. of India.
