SUBJECT.

Praying that an enquiry may be instituted regarding the demolition of a temple in this village & his claim & that orders may issue for the reconstruction of the temple -

Recd 16/10.

oss K/10.

The petr states as follows:-

The Adakanteswaraswami's temple in ~~the~~ his village was established by his ancestors & was under the strict supervision of his family for a very long time. But during the time of his father the said temple was demolished by the Q.W.D. The petr thereupon presented a petr to Govt with the intention of reconstructing the temple according to the original plan. But the Govt ^{informed} him that it is unable to recognize his claim. Then the petr appeared to the Govt of India without knowing the meaning of the word claim; but the Govt of India endorsed thereon that it should be investigated.

Though the Maoras Govt referred his case regarding his claim to the lower court for investigation, yet no such investigation took place. The petr therefore prays that an enquiry may be instituted regarding the demolition of the temple & his claim & that orders may issue for the reconstruction of the temple.

The petr also begs that if no such investigation is ordered to take place, the enclosed memorial may be forwarded to the Govt of India -

The petr is addressed to the Governor, Govt in Council.

The petr states as follows:-

The Adakanteswaraswami's temple in this village was established by his ancestors & was under the supervision of his family for a very long time. But during the time of his father, the temple was demolished by the Q.W.D. & idols were interred in the embankment of a channel. He thereupon presented a petr to the Maoras Govt which informed him that it is unable to recognize his claim - as he could not understand the meaning of the endorsements received by him, he begs to be excused for the delay in submitting this petr & prays that an enquiry may be instituted into his claim.

The Maoras Govt informed him through the District Officer that his petr was delayed by being barred by limitation. He has sufficiently explained his reasons for its not being barred by limitation in his former petr - As the Govt of India is silent on the point, he takes for granted that they are accepted. As the officers to whom his case is referred belong to a different caste, no investigation has been taken place & he prays that his claim -
