✓Office of the Consulting Architect to Govt.,
Chepauk, Madras,
26th October 1893.

No. 2244

From

Henry Swin, Esq., C.I.C.,

Consulting Architect

to the Government of Madras,

To

The Chief Engineer

Public Works Department

Sir,

Enclosures.

I have the honor to state that Mr. A. V. Faulconer, Chief Engineer & Manager Madras Electric Tramway Company has applied to me with his company two laas of bricks from our stock at the Government brick kilns & represents that he finds it impossible to procure them in the local market and that his works are seriously delayed for want of bricks. We have in stock 8 laas of facing bricks and 6 laas stock bricks, very much more than our present requirements, we shall not require them for the Law College for several months and it would be an advantage to Government to dispose of the two laas required by the Tramway Company at the usual enhanced rate of 25 per cent.

Besides

Besides the clearing of the Brick Kiln yard which
is getting over crowded would be a great convenience.

I have also received a further
application for 75,000 bricks from Contractor Ellayalwar
Kandoo for use in the Harbour works. These also
may be spared. Requesting permission to
sell the bricks

I have the honor to be
Sir
Your most Obedient Servant

Henry Jones
