ORDER—dated 11th April 1893, No. 942 W., Public Works.

The revised and budget estimates of expenditure under Imperial Civil Works
for 1892-93 and 1893-94, respectively, have been prepared for the amounts passed by
the Government of India in the resolution recorded above.

2. The revised estimate of expenditure for 1892-93, as shown in the preliminary
budget, amounted to Rs. 37,975, but the modifications of grants subsequently
sanctioned reduced the estimate to Rs. 37,129. The Government of India does not
appear to have taken into account the sum of Rs. 235 surrendered to the Director-
General of the Post Office of India from the grant for sinking a well in the compound

of the post office at Tindivanam in the South Arcot district referred to in G.O., No. 595 W., dated 6th March 1893, and has fixed the estimate at Rs. 37,364 or Rs. 37,400 in round figures. The necessary alterations have accordingly been made under departmental heads.

3. The control of grants for minor works under Postal and Telegraph being vested in the Directors-General of Post Offices and Telegraphs, respectively, Superintending Engineers and the Consulting Architect will apply to those officers for funds required for incomplete and new works under the heads in question.

4. The Government of India will be separately requested to place at the disposal of the Director-General of Military Works the allotment * provided in the budget for repairs to the postal and telegraph buildings at Bangalore.

* Postal ...	Rs.

	200

5. The distribution among divisions of the grants under Postal and Telegraph Repairs is shown in part II of the budget.

6. With reference to G.O., No. 945 W., dated 11th April 1893, a sum of Rs. 150 has been allotted to the Chingleput division under Postal Repairs.

7. The Consulting Architect will expedite the estimate for additions and alterations to the telegraph office at Madras called for in para. 8 of G.O., No. 295 W., dated 6th February 1893. No expenditure should be incurred on the work until the estimate has been sanctioned.

8. With these remarks, the final issue of the Imperial Civil Works budget estimate for 1893-94 will be printed and circulated for the information and guidance of the officers concerned and 35 copies, as shown in the margin, will be forwarded to the Government of India, Public Works Department.
