By order,

G. M. Walker

Under Secretary to the Govt. of India.

RESOLUTION by the Government of India, Finance and Commerce Department,
No. 4075-S. R., dated 18th September 1893.

READ—

Resolution in the Finance and Commerce Department, No. 185, dated the 10th January 1883.

UNDER the Resolution quoted, Chubb's locks, like other articles of European manu-
facture, should be obtained from England by indent on the India Office, but it appears that
they are often obtained in the local markets. This practice should cease and the locks be
obtained by indent on the India Office. As they are in constant demand in most public
offices, it will be convenient in practice and economical that the indents should be made
on the Stationery Office and by it be sent to the India Office.

2. His Excellency in Council accordingly directs that in future Chubb's locks should
be obtained through the Stationery Offices and included in the General stationery
indent.

ORDER.—Ordered, that the foregoing Resolution be communicated to the Depart-
ments of the Government of India; to the Local Governments and Administrations; to
the Comptroller and Auditor General; to all Accountants General and Comptrollers;
and to the heads of Departments under the Finance and Commerce Department.
