2 7TH NOVEMBER 1893, No. 2865 W., PUBLIC WORKS.

ORDER—dated 7th November 1893, No. 2865 W., Public Works.

The estimate, amounting to Rs. 34,600, for constructing a Taluk office at Gudivada in the Kistna district, has been reduced to Rs. 34,500 by excluding the provision for aloe hedge and ditch, and the estimate as thus reduced is sanctioned for execution when funds are available.

2. The Superintending Engineer will submit a supplemental estimate for providing record racks and a barbed wire fence for the compound.

3. This sanction has been registered as Provincial No. 107 W. of 1893-94 and classified as Civil Buildings, Original Works.

NOVEMBER.

Taluk Office

Estimate of Rs. 34,500 for constructing a — at Gudivada in Kistna district, sanctioned, and a supplemental estimate for providing record racks and a barbed wire fence for the compound called for.

1,000—27-8-03.

REVENUE DEPARTMENT.

Read the following papers

G.O. dated 10 Oct 1892 No. 3728
PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Proceedings of

the Board of Revenue, Land Revenue, dated 20th September 1893 No 5153 Miscellaneous, on the following letter from J. N. Atkinson Esquire, ag. Collector of Kistna to the Secretary to the Commissioners of Land Revenue, Madras, dated 29th August 1893 dis No. ³¹⁶⁶ ₁₁₈₁

I have the honor to forward herewith a plan and estimates for the construction of a first class Taluk Lutcherry at Gudivada and to request that Government sanction may be obtained and funds allotted. A latrine and kitchen for sub-jail prisoners are indispensable, and an estimate for these and record racks will be submitted separately. A ryot's shed is in my opinion unnecessary. I have never known a ryot's shed used from Chittoor, but only either for improper purposes, or under compulsion. Mr Wynne was also of opinion that a ryot's shed was unnecessary. A few Shady trees are all that is wanted.

Resolution:-

The site plan and estimates for constructing a first class Taluk Lutcherry at Gudivada at a cost of Rs 34,500 are submitted for the sanction of Government with reference to Government order dated 29th August 1892, No 3849.

2. The estimate includes a provision of Rs 100 for forming a ditch, and raising an aloe hedge round the Compound. The Board suggests that a barbed wire fence may be substituted for aloe hedge for the reasons given in paras of Board's Proceedings dated 9th July 1892, No 4203. Also printed in L. O. dated 12th September 1892. No 2640 W.

3. With reference to the Collector's proposal to send later on an estimate, among others, for a latrine for sub-jail prisoners, his attention will be directed to L. O. dated 31st July 1888, No 4462 Rev. in which sub-jail latrines have been disallowed.

Order thereon: - 10th October 1893. No. 3728 W.

The site plan and estimates are approved and will be transferred to the Public Works Department in which the Board's suggestion in para 2 will be considered.

TECHNICAL NOTE.

Name of Work

Amount of Estimate, Rs.

PARTICULARS OF ESTIMATE.

Main Building Office Rs. 30994

Subsidiary Buildings shed for materials 80

Roadway 437

Contingencies 5% 1600

Petty Supervision 2 1/2% 859

Land compensation 600

Total Rupees 34500

PARTICULARS OF CONSTRUCTION.

Surface soil

Sub soil

Foundations are to be made 4 feet deep. The

lower 1 1/2 ft to be laid with concrete & the

upper 3 feet built of rough stone in

masonry

Basement is to be raised 2 feet high & built of

rough stone in masonry

Walls are to be raised as per heights noted

on the type design & built with

stock bricks in common with arch

& work over doors & windows.

Plastering or Pointing

The exterior faces of walls are to be plastered with 2 coats of gunnison & the interior faces with similar mortar except the plaster faces which are to be plastered with 3 coats.

Flooring is to be of teakwood planks laid on 4" concrete throughout except the record room & jail wards which are to be of 3/4" asphaltic laid over 4" of concrete.

Roofing is to be tiled with flats & pans tiles laid over iron rafters.

Doors and Windows are to be of teakwood of the description which is the estimate & paint with 2 coats of Carrara dark paint.

Roof timbers are to be of teakwood & painted with 2 coats of white paint.

Scantlings are correct.

Rates cannot be checked. The Director has advised being very meagre but data will be submitted in support of the rates.

The plinth area of the main building is 10,743 square feet, and the cost per square foot will be Rs. 3.1.6.

The plan and estimates have been countersigned by the Collector of the District they are however approved in the Revenue Dept with the remark: "That the Director's suggestion regarding a barbed wire fence be considered in this Dept."

This estimate has been furnished with reference to G.O. No. 2485 dated 6th Sept 1892 & provided for constructing a First Class Taluk Office at Guduvada in the Kistna District.

The estimate has been based on the approved type design for Taluk Office at Guduvada approved in G.O. No. 3034 dated 10th Nov 1891.

The site selected is private land for which compensation to the extent of Rs. 600 for 2.5 acres has been provided in the estimate.

The proposed building is made to face the East as per site plan. This appears to be a directional error due to the map of the area.

No provision has been made for a house such as a cook house.

Public latrine also for record room estimate for these is stated in the submitted hereafter.

The Board in para 2 gives a hint suggesting that the estimate for the fence be submitted for the price also being fixed. I have since purchased of Rs. 100 for the better fence has now been struck out of the estimate & the total estimate of estimate reduced from Rs. 34,600 to Rs. 34,500.

Supplemental estimate may be called for constructing a cook house & public latrine also for fitting the record room with racks & for fencing the compound with barbed wire.

Look East?
