Proceedings of the Board of Revenue (Land Revenue), dated 20th October 1893, Mis. No. 5974.

Read—the following letter from R. SEWELL, Esq., Collector of Bellary, to the Secretary to the Commissioners of Land Revenue, dated 15th October 1893, Ref. No. 4244:—

In submitting, herewith, a copy of letter No. 910, dated 4th August 1893, received from the Divisional officer, Bellary, regarding the transfer of a Government building at Hirehal to the Local Fund Board for a school, I have the honour to request that you will be good enough to obtain the sanction of the Government for the requisite transfer. The Executive Engineer, who was consulted on the subject, states that the building in question may be handed over to the Local Fund Department on condition of keeping it in repair and returning to Government when required. I see no objection for the transfer.

ENCLOSURE.

From M.R. Ry. C. RAMASESHA IYER, Avergal, Deputy Collector of Bellary Division, to the Collector of Bellary, dated 4th August 1893, Ref. on C. No. 910.

There is a building behind the police station and adjoining it at Hirehal in the Bellary taluk. It is stated to be the property of Government. Its history is not exactly known; but, so far as it is ascertained by inquiry of the ryots, it appears to have been formerly used by the Collector's Huzur establishment for holding the jamabandi cutcherry when it encamped there. It has for some time past been in the occupation of the Taliari Suggliga. He has now vacated it. It is proposed by the educational authorities to locate the Local Fund school in it. The building in which the school is now held is too small besides being ill-ventilated. It provides accommodation for only 50 boys, whilst the present strength of the school is about 80. The new building proposed will accommodate about 100 boys. I have seen this building. It is in the midst of the village to the south. It does not appear to be required for any Government purpose, and I see no objection to its transfer to the Taluk Board for locating the Local Fund school there on condition of their repairing it and keeping it in order and returning it to Government when it is no longer required for the above purpose. I have the honour to request your sanction to the proposal. The papers connected are submitted for reference.

Resolution—dated 20th October 1893, Mis. No. 5974.

Submitted for the sanction of Government.
