1 Completion statement

DOWLAISHWERAM, 30th October 1893.

SIR,

I have the honor to submit herewith a completion statement for April 1893, received from the Executive Engineer, Tiru-gapatam Division, and verified by the Examiner P. W. Accounts, and to request that you will be so good as to move the Government to authorize the Examiner to admit the excess expenditure of Rs 1517, incurred on the work "Alterations & Improvements to Police Assistant Supd quarters, at Pervatipuram" Estimate Rs 1490 sanctioned by me in November 1891, vide G.O. No. 2824 W. dated 26th October 1891.

2. The Executive Engineer explains that the excess is due to the following causes
(a) The old thatched roof was blown away, rain poured in and damaged the remaining walls of the building, throwing down one of the end walls

which had to be re-constructed with
brick in mud.

(b) The palm-ya procurable in this
part of the District, being found
quite unsuitable for roofing
purposes, particularly for a room
having a clear span of 15 feet, it
was considered advisable to
substitute Salwood for the pal-
myra allowed in the original
estimate.

(c) It was found necessary to provide
stone treads for the stairs leading
to the upper room, to have all
the doors and windows painted,
and to have the outhouses pro-
perly repaired, none of these
items were provided for in the
original estimate.

I have the honor to be,

Sir,

Your most Obedient

J. J. Dymond,
