READ—the following paper :—

From C. M. MULLALY, Esq., Acting Collector of Kurnool, to the Chief Secretary to Government, dated Kurnool, 17th October 1893, No. 824-Eng.

With reference to G.O., No. 1536 W., dated 9th June 1893, I have the honour to submit the following proposals for the utilization of the late District Jail buildings and garden, Kurnool.

2. *Jail buildings proper.*—The Municipality has asked for this in order to convert it into a market, and I think, with a few alterations, it will be admirably suited for a market. Plan A shows the buildings as they are at present, and plan B shows the proposed alterations. These may probably require revision hereafter, but roughly the plan B shows how the various buildings would be utilized. I do not think they could be put to a better use, and accordingly recommend their transfer to the Municipality after the completion of additions to the sub-jail now under progress.

3. *Jail garden.*—This may be transferred to the Police Department, as the Superintendent proposes to utilize it for planting vegetables for public sale as was hitherto done by the jail. It is quite close to the Police parade ground and might, at some future time, be required for a public purpose; it would, therefore, not be advisable to sell it, but it may be temporarily handed over to the Police on condition of its being given back when required.

For orders whether the
jail buildings may be made
over to the Municipality free
of cost.

There appears to be
no objection to the
second proposal, viz
to let the Police have
the use of the jail
garden.

I don't think there is any
objection to the transfer of
the buildings & garden as
proposed, as the City
they are not wanted
for any other
purpose.
