Chopauk, Madras,

14th June 1893.

No. 734

From

Henry Swain, Esq., C.I.C.,

Consulting Architect

to the Government of Madras,

To

The Chief Engineer

Public Works Department.

Sir,

Enclosures.

I have the honor to report that there are 870000 stock bricks lying at the site proposed for constructing the new women & children Hospital, since abandoned, a portion of these it is proposed to transfer to the Military Works Department for constructing the detention Hospital, a portion to the Law College and as it will be necessary to clear the site as much as possible and fill in the trenches I request permission to sell the balance of the bricks say about 3 lais at book value without loss to Government. These bricks will be such as will not be taken over owing to breakage &c. If I were to remove these to other works there would be a considerable loss.

many to breakages -

I have now an offer for them and I think it
will be well to dispose of them in this way.
I have plenty of other bricks for the Law College,
in stock at the Government Brickfields.

I am the honor to be
Sir
Your most obedient servant

Henry Jones
Consulting Architect
to Governments.
