

PROCEEDINGS OF THE BOARD OF REVENUE
(LAND REVENUE).

READ—the following letter from A. W. B. HIGGENS, Esq., Collector of Ganjam, to the Secretary to the Commissioners of Land Revenue, dated Chatrapur, 27th April 1893, Ref. No. 501-Eng.:—

With reference to Board's Proceedings, No. 149, dated 29th ultimo, paragraph 1, I have the honour to inquire whether the list of works therein referred to should be forwarded along with the budget estimates of receipts and charges, Imperial and Provincial (*vide* item 12, page 9, of the Board's Subject List of Periodical Reports and Returns), which should be despatched to the Board's office on the 15th August or in advance of it as seems to be required. It would be convenient to send them up together. It will be seen that both the list of works now called for and the budget estimate, of which the estimate of petty constructions and repairs of civil buildings forms an enclosure, are due to Government from the Board's office on 1st October.

2. Further I beg to be informed whether all incomplete works under "Civil Buildings" under execution by the Department of Public Works should be included in the list of works now called for, or such incomplete works only as were proposed in previous years by the Collector to be carried out by that department.

RESOLUTION—dated 16th May 1893, No. 254.

The list of works referred to in paragraph 1 of the letter read above may be submitted with the budget estimates as proposed.

2. With reference to the inquiry made in paragraph 2, the Collector will be informed that the list should include all works—new and incomplete—which are to be executed for the Revenue Department by the Public Works Department.
