To

The Superintending Engineer

Sir

I have the honor to bring to your notice the following case against Lascar Puan on the Kambakal channel and request your final orders.

2. Lascar Puan was entertained on the Kambakal channel on a salary of Rs 4 per month sent in October 1865 and continued to do duty till the 28th February 1886 when he was retired. Owing to the statement of the District Surgeon, Chingleput, in his letter n^o 53 d/21st July 1886 he was made to do duty again treating the period he was without employ as on leave without allowances viz: from 1st March 1886 to 6th October 1886.
3. He was again sent to the Medical Officer in December

December 1892 on account of his attaining the age of 55 years and was again declared by the District Surgeon to be fit for further service. Based on this assumption the Chief Engineer further sanctioned his retention in No. 484 C d/3^d February 1893 for a further period of one year.

4. Puvan is looking after Striperumbudur -
Rach House and also a mile of Kambakal Channel
and though certified by the District Surgeon as
being fit, is practically found to be too old for
his present work. He cannot keep the Bungalow
clean nor attend to instructions given. His total
service on the 7th June 1893 amounts to more than
20 years and he cannot even be brought under
G.O. No. 840 Wd 28th March 1893. It is practically
no use retaining his services for he cannot be
transferred in the Division for lighter work, or
retire, and under these circumstances I request
you will be good enough to obtain the sanction
of Superior Authority for his immediate retire-
ment.

one Service Book
one letter from St.
Medical Officer

Enclosure two - for favor of orders, as to whether under the circum-
stances reported by the Executive Engineer in para 4,
the Lascar Puan should not be made to retire
from the Service immediately. In Chief Engineer's
Memorandum no. 484 C d/3^d February 1893 - his
retention in the Service till the end of this year
has been sanctioned. He is now 67 years old, and
as he does not himself apply for permission to
retire Article 486 of the Civil Service Regulations
cannot be brought to bear on his case.

until October 1895.

If discharged now he
will receive a gratuity
