It seems to me that the plan for a New Cemetery at Villupuram as laid down in the letter of the Collector of South Arcot to Government, dated 19th April 1893 is a most desirable one to be carried out, I would however respectfully submit that if it is carried out, the New Cemetery should be placed under "Revised Rules Cemeteries G.O. No. 141 July 17.85" both as to the Officer in charge ^{and} as to fees; and with reference to para. 10 of the Collector's letter, that the division between the Protestant and Roman Catholic parts should be by path and not by wall.

Order, dated 22nd June 1893, No. 55

The proposal of the Collector of South Arcot, contained in his letter recorded in the G.O. read above, to provide the Protestant and Roman Catholic Christians of Villupuram with a new Cemetery, is approved subject to the condition specified.

as specified in the last para: of the Venerable arch-
deacon's letter.

2. Arrangements should now be made for acquiring the land required for the Cemetery under Act I of 1870 and an estimate for constructing a wall round it and for adapting it for a Cemetery should be submitted for the approval of Government.
